Where do masks have to be worn?
- while shopping
- in public transport (bus, train, etc.)

What can a mask be?
- self-made or purchased cloth masks, disposable masks (a medical mask is not necessary)
- a scarf
- a towel

How to use the mask?
- Mouth and nose must be covered (pull mask from nose to over chin)
- If the mask is damp, use a new one.
- Mask regularly wash at min. 60 degrees
- Avoid touching and moving the mask while wearing it.
- Wash your hands thoroughly after removing the mask (at least 20 to 30 seconds with soap).
- Even with a mask, the safety distance of at least 1.5 m from other people must be maintained.

Thank you for sticking to the rules. We want you to stay healthy!
