

The Foreigners and Citizenship Office is also personally available for you during COVID-19 pandemic!

We will continue to process your requests whenever possible, primarily by e-mail, telephone or post. However, for all procedures where we need to meet you in person, a personal appointment is necessary. Please note the following:

Appointment necessary:

- Fingerprints for the issuance of electronic residence permits and passport replacement papers
- Issuance of residence titles and passport replacement papers
- Execution of naturalizations

Appointment not necessary, handling by mail, e-mail, telephone:

- Extension of tolerations and permits
- Work permits
- Extension of visas or vis-free periods
- Inquiries about visa procedures
- Inquiries about naturalization procedures

Your contact persons for appointments are:
